Choice Cuts

1. BRAIN

Don't Eat - although the brain seems fatty and tasty, it's no good, gives you CJD (Creutzfeldt–Jakob disease) - basically kills your brain cells. Unless you want to inherit the aura of your meal, steer clear.

2. FRONT

Eye Fillet - best cut, non-working muscle, sits on the bowell

Ribs (Spare Ribs) good eating - BBQ

3. BACK

Neck – diced, hungarian goulash

Shoulder – Blade Steak (slow cook, needs some work to make tender)

Strip down the middle of the back (loin) all BBQ steaks

Middle of Loin middle is the rib fillet or scotch fillet (good eating)

Lower Loin porterhouse steak or T-bone (good eating)

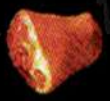

Lower back on either side of Loin muscles - Rump

4. ARMS

Fore Arm – tough meat – soup

Upper Arm – slow cook, like lamb shanks

5. OTHER

Lungs full of iron

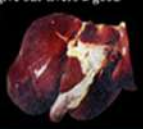

Skin you can leave on – crackling (need to shave the hair off though)

Nervous System – carbohydrates rich

Liver – Don't Eat - Because we give our livers a good bash, they are full of Vitimin A - too much Vit A is toxic and can fuck you up - pretty much weakening your body, making you throw up, general body and head pains

6. LEGS

Below the knee – tough meat, too sinewy, working muscles, stewing (meat/vegie /slow cook)

Thigh meat - again, working muscle, slow cook – Osso Bucco

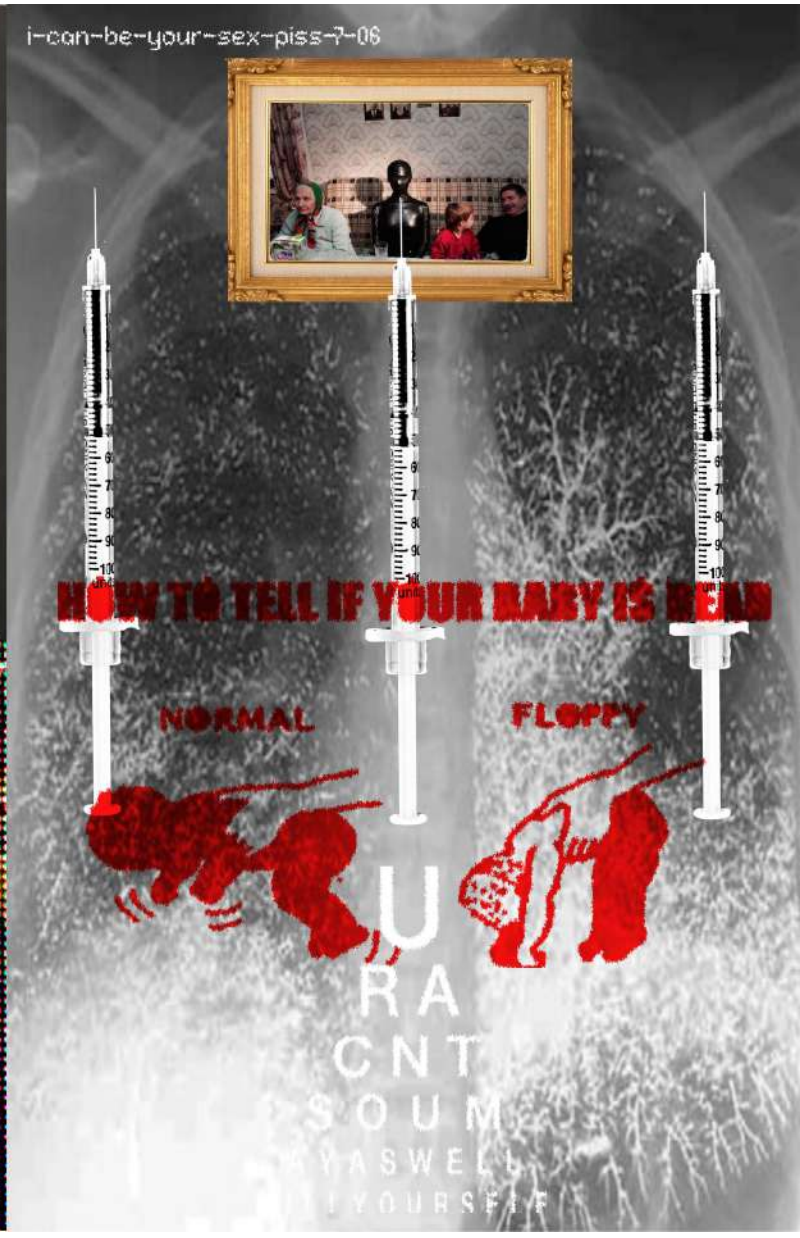

Buttocks (silverside or topside) slow roast, Mum's Sunday roast

IT WAS AN EARLY WINTER'S DAY LAST YEAR WHEN OFFICERS FROM THE NSW POLICE AND COMMUNITY SERVICES TURNED UP IN ONE OF THE BLOCKS WHICH LIE AROUND 30KM OUT OF THE TOWN BETWEEN LAKES ESTABLISHED FARMS AND THE UNTAMED SCRUB OF OLD BUSHRANGER TERRITORY. THEY FOUND 40 ADULTS AND CHILDREN LIVING IN TWO FILTHY CARAVANS, TWO SHEDS AND TENTS ON AN UNSEWERED BLOCK WITH NO RUNNING WATER. DIRT CAKED THE SURFACES OF STOVES AND COOKING FACILITIES, ROTTEN VEGETABLES LAY IN A REFRIGERATOR AND A KANGAROO WAS SLEEPING ON ONE OF THE CHILDREN'S BEDS. EXPOSED ELECTRIC WIRES, SACS OF RUBBISH AND CARCASSES LAY ABOUT. THERE WERE NO TOILETS, SHOWERS OR BATHS. THE CHILDREN WERE UNWASHED AND WORE DIRTY CLOTHES. THEY WERE SHY AND MADE LITTLE EYE CONTACT. FEW WERE CAPABLE OF INTELLIGIBLE SPEECH; ALMOST ALL HAD FUNGAL INFECTIONS IN THEIR FEET. SOME HAD WOOLLY-HAIRED FEATURES, WHICH SCIENTIFIC TESTS WOULD LATER REVEAL WAS A RESULT OF "HOMOZYGOSITY" OR IDENTICAL GENE PATTERNS OF BOTH OF THE CHILDREN'S PARENTS. THE POLICE AND WELFARE OFFICERS WERE TAKING IN THE SQUALOR, THE DEPRIVATION AND THE FACT SOME OF THE CHILDREN SEEMED DEVELOPMENTALLY DELAYED OR COGNITIVELY IMPAIRED. WHAT THEY DIDN'T REALISE WAS THE CHILDREN WERE THE RESULT OF INTIMATE RELATIONS BETWEEN BROTHERS AND SISTERS, AND UNCLES AND NIECES AND FATHERS AND DAUGHTERS. THEIR FAMILY THREW BACK TO A SET OF GREAT-GREAT GRANDPARENTS AND WERE A BROTHER AND SISTER. THE FAMILY COMPULSION WAS REGENERATING ITSELF. THE CHILDREN WERE SEXUALLY INVOLVED WITH EACH OTHER AND ONLY ONE, THE YOUNGEST, A FIVE-YEAR-OLD GIRL, HAD PARENTS WHO WEREN'T RELATED. IT WAS A SOCIAL TIME BOMB EXPLODING BEFORE THEIR EYES. AS ONE POLICE OFFICER LATER REPORTEDLY TOLD HER COLLEAGUES, SHE WOULD NEVER GET OVER IT. OVER COMING DAYS AND WEEKS, THE ENORMITY OF WHAT THEY HAD UNCOVERED DAWNED ON THEM. THE FIVE FAMILY GROUPS COMPRISED OF SISTERS, RHONDA, 47, MARTHA, 33, AND BETTY COLT, 36, WHO SLEPT EVERY NIGHT WITH HER BROTHER, FRANKIE, AND TWO OF BETTY'S DAUGHTERS WHO EACH HAD CHILDREN WHO PROVED TO BE FROM UNIONS OF RELATED PARENTS. NOT ONLY WERE THE CHILDREN DIRTY AND UNSCHOOLED, THEY HAD MULTIPLE HEALTH PROBLEMS AND NO CONCEPT OF HYGIENE. BETTY'S SON BENNY COLT, 15, HAD A WALKING IMPAIRMENT, SEVERE PSORIASIS AND NEEDED URGENT DENTAL WORK. HIS SPEECH WAS NOT UNDERSTANDABLE. HE WET AND SOILED THE BED AND HIS LEARNING ABILITY WAS AT KINDERGARTEN LEVEL. MARTHA'S SONS ALBERT, 15, AND JED, 14, WERE SIMILARLY CHALLENGED WITH THEIR SPEECH, PERSONAL HYGIENE AND LACK OF DENTISTRY. BETTY'S 14-YEAR-OLD SON BILLY WAS UNDERWEIGHT AND NOT GROWING PROPERLY, HAD HEARING AND SIGHT PROBLEMS, SPOKE UNINTELLIGIBLY, HAD AN INTELLECTUAL DISABILITY AND COULD BARELY READ OR COUNT. KIMBERLY COLT, 19, BETTY'S GRANDDAUGHTER BAYLENE, WAS UNDERWEIGHT AND UNABLE TO CLEAN HER TEETH, USE TOILET PAPER OR COMB HER HAIR. SHE HAD URGENT DENTAL PROBLEMS, HEARING, SPEECH AND SIGHT DEFICITS AND WAS UNABLE TO READ OR WRITE. SHE THREATENED TO CUT OFF A CASEWORKER'S FINGERS. BETTY'S SON BRIAN, 12, DID NOT UNDERSTAND SWIMMING. HE HAD EXTENSIVELY DECAYED TEETH, AND BORDERLINE NORMAL HEARING. HIS EYES WERE MISALIGNED AND HE COULD NOT READ, WRITE, OR RECOGNISE NUMBERS. MARTHA'S NINE-YEAR-OLD DAUGHTER RUTH WAS NEGLECTED AND MALNOURISHED. SHE WAS UNABLE TO BATHE OF ANY HERSELF. SHE DID NOT KNOW HOW TO USE A TOILET OR WHAT TOILET PAPER WAS. HER FEATURES WERE DYSMORPHIC. SHE COULD NOT READ OR WRITE, COULDN'T HEAR WELL AND HER SPEECH WAS FRAGMENTED AND STUNTED. THE CASEWORKERS LEFT AND RETURNED AGAIN TWO DAYS LATER, MAKING A FURTHER TWO VISITS AND FINALLY REMOVED 12 CHILDREN ON JULY 18, 2012. BACK IN TOWN, THE LOCALS WERE UNAWARE OF WHAT WAS UNFOLDING. AS ONE OF THE TOWNSPEOPLE TOLD NEWS.COM.AU, AN OCCASIONAL VISITS THE WOMEN WITH "ABOUT TEN CHILDREN" WOULD PILE OUT OF A CAR WITH INTERSTATE PLATES, BUY SOMETHING IN THE SHOPS AND THEN LEAVE. "THEY WERE NEVER CLEAN LOOKING," THE MAN SAID. "WE ALWAYS USED TO MAKE JOKES THAT IF YOU CAME FROM THAT AREA YOU'D BE INBRED. "BUT WE DIDN'T REALLY KNOW ANYTHING ABOUT THEM EXCEPT THOSE BLOCKS. THEY MIGHT LOOK LIKE A GOOD DEAL. [40 HECTARES] FOR ABOUT $20,000 BUT THERE'S NOTHING OUT THERE. NO ELECTRICITY, NO WATER, JUST SCRUB." TAKEN INTO CARE, THE CHILDREN UNDERWENT SESSIONS WITH PSYCHOLOGISTS. THE TALES THEY TOLD WERE HARROWING. KIMBERLY, 13, REPORTED SEXUAL CONTACT WITH HER UNCLE, DWAYNE, WHO WAS NINE YEARS OLD WHILE HER AUNT, CARMEN, 8, WATCHED ON. SISTERS RUTH, 7, AND NADIA, 9, HAD SEXUAL TOUCHING WITH THEIR BROTHERS ALBERT, 15, JED, 14, AND KARL, 12. ON ONE OCCASION, THREE BROTHERS AGED 14 YEARS AND UNDER TOOK THEIR SISTER, 8, AND NIECE, 13, NAKED TO A TREE. THE ACCOUNTS OF INCESTUOUS ENCOUNTERS SOME FILL PAGES OF COURT DOCUMENTS. CLINICIANS TOOK BUCCAL, OR MOUTH SWABS FROM THE CHILDREN FOR GENETICISTS TO DISCOVER FIVE OF THE COLT CHILDREN HAD PARENTS WHO WERE "CLOSELY RELATED" AND ANOTHER FIVE HAD PARENTS WHO WERE "RELATED". INTERVIEWS WITH THE PARENTS AND OTHER MEMBERS OF THE FAMILY REVEALED AN ASTONISHING TALE. BETTY, MARTHA AND RHONDA'S MATERNAL GRANDPARENTS HAD BEEN BROTHER AND SISTER. BETTY HAD 13 CHILDREN, SOME OF WHOM WERE PROBABLY FATHERED BY HER FATHER, TIM, AND HER BROTHER, CHARLIE. MARTHA'S CHILDREN MAY ALSO HAVE BEEN FATHERED BY TIM, BETTY'S SON, BENNY, AND MARTHA'S CHILDREN, ALBERT, JED, RUTH AND NADIA WERE THE RESULT OF CLOSELY RELATED PARENTS, AS WERE THE THREE CHILDREN OF BETTY'S DAUGHTER, TAMMY, 27, ONE OF WHOM HAD BEEN FROM A RARE GENETIC DISEASE CALLED ZELLWEGER SYNDROME. VICTORIAN POLICE REMOVED TAMMY'S REMAINING TWO DAUGHTERS WHEN THEY FOUND HER LIVING IN A CARAVAN PARK AND SHE REVEALED HER YOUNGER BROTHER, DEREK, 25, HAD FATHERED ALL HER CHILDREN. IN THE FALLOUT FROM THE DISCOVERY OF THE COLT FAMILY, SOME CHILDREN HAVE BEEN PLACED WITH FOSTER FAMILIES, OTHERS ARE IN TREATMENT PROGRAMS FOR SOMALISED BEHAVIOUR AND PSYCHOLOGICAL TRAUMA, AND THEY HAVE HAVE CONTACT WITH THEIR PARENTS AND SIBLINGS. THEY HAVE MADE PROGRESS WITH SCHOOLING AND HYGIENE. THE MOTHERS HAVE TAKEN VARYING DEGREES OF RESPONSIBILITY FOR THE NEGLECT, THE INCEST OR INTRA-FAMILIAL SEXUAL ABUSE WHICH ALLEGEDLY TOOK PLACE IN THE FAMILY. BETTY COLT, WHO HAS SUPERVISED CONTACT WITH HER CHILDREN, APPEARS TO BE IN DENIAL AND HER LAWYER WAS DISPUTED THE COURT'S FINDINGS. THE CHILDREN'S COURT RULED SHE IS NOT WILLING "TO DISENTANGLE HERSELF FROM HER FAMILY" AND "IS INCAPABLE OF ADDRESSING HER OWN TRAUMATIC HISTORY".

NORMAL
FLOPPY

I probably did enjoy those acts of killing. It was intense and all-consuming. Poor Doctor Bowden won't be satisfied until he has a *reason*. Well, enjoying (killing) is as good a reason as any. I hope he will be contented with that. How the hell do I know what motivated me to kill someone I had nothing against at that particular time! I needed to do what I did at that time. I had no control over it then. It was a powder keg waiting for the match. I was the match. The more I write, the less I know. I have probably already written the reason somewhere back there amongst all these words ... everything must be in small, neat rows for these people ... the real answer might lie in the fact that I could be just a bad bastard.[2]

Piss, strength, remarkable
Fecal, length, tenable
Distant, stench, clinical
Cut the eye, despite the face, resisting
Ripping lines of cyanide
And pre-preparing penicide

Cock, death, scent, tangible
Incumbent, pissant, pedantry
Finding shame in the smallest things

Out of sight of god
Free from all condition
Outside of his love
Cunt end of devision

Piss, strength, remarkable
Fecal, length, tenable
Distant, stench, clinical
Cut the eye, despite the face, resisting
Ripping lines of cyanide
And pre-preparing penicide

Out of sight of god
Free from all constriction
Break down social norms

Disappointment prestige

"I know God, Ernie. God is a can of gas and a book of matches. With these two things you can create, and destroy. Save life, or take it. People have always had to suffer before they received God's mercy, Ernie. You can pray for them, but sometimes the best way to help is to get all of their suffering out of the way."
